

YAKIMA VALLEY *Dining*

Have a seat at one of the region's restaurants, where good food comes with a warm welcome.

With all of its wineries, tasting rooms, farm stands and farmers markets, you might think that any eating and drinking you do in the Yakima Valley will be done standing up. But rest assured there are plenty of restaurants, wine bars, cafés and coffee shops in the region that will happily invite you to have a seat – and encourage you to stay as long as you like.

Many of our distinctive eateries offer al fresco dining under the sun and stars, and even more incorporate fresh local ingredients in their dishes or feature Yakima Valley wines on their menus. You'll find a world of good taste in the region, including cuisine from Italy, Mexico, France and Asia, plus great American food at numerous diners and burger stands.
