WHAT IS AN AVA?
American Viticultural Areas, or AVAs, are geographical wine grape growing regions in the United States. Their boundaries are defined by the Alcohol and Tobacco Tax and Trade Bureau (TTB) and established at the request of wineries or other petitioners.

The businesses listed on this map have regular business hours; however, for a successful experience we suggest you call to confirm their hours on the day you plan to visit.

The Yakima Valley grows more hops, grapes and fruit than anywhere else in the Pacific Northwest. Come experience award-winning wine, unique craft beer and hand-crafted cider straight from the source.
